Current site: byshumail.my.canva.site

Industries logos: 5 · Creatives: 62 · Admin panel · Mobile ready

Same classification as Canva

Content is organised exactly like byshumail.my.canva.site — not random tags. Two clear portfolio groups:

1. Industries worked with

Separate heading — partner / company logos only

(Revo, Nakshatra, alhind, Shobhika, Koukh al Shay, ...)

5 logos cleaned from the original site

2. Creatives (selected work)

His creative categories as filters:

- | | |
|-----------------------|---------------------------|
| ● Final Reel | Phone reels / showreels |
| ● BTS | Behind the scenes |
| ● Hanan Shaah Concert | Live event coverage |
| ● Drone Shots | Aerial cinematography |
| ● Automobile | Automotive films & stills |
| ● Weddings & Events | Celebrations & functions |

Junk removed: UI arrows, sparkles, process numbers, social icons
(129 non-work assets filtered out)

Company logos

Separate section on the website — not mixed into creative filters.

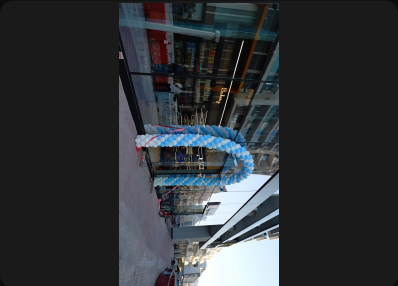

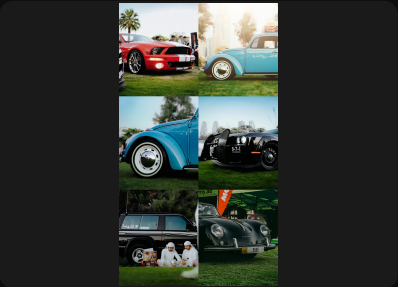

Work by category

Weddings & Events	18 pieces
Hanan Shaah Concert	16 pieces
Automobile	14 pieces
Final Reel	7 pieces
Drone Shots	6 pieces
BTS	1 pieces

Total creatives on site: 62

Filters on the website match these headings exactly.
